

Results:

1. Create an environment that promotes the exchange of knowledge, experience, and best practices among all participants.
2. Create a strong platform of support, to develop skills and abilities of all participants, through collaborative teams.
3. Leverage efforts toward a common goal (development of self-awareness and soft skills among mentors, and development of hard skills among the protégés), to ensure the best way to achieve desired results.
4. Create individual and group action plans for the duration of the project.

Includes:

- + Four six-hour workshops.
- + Follow-up on individual and group action plans through coaching sessions using "Project Management" methodology.
- + Scheduled joint work sessions for 3, 6, 9 or 12 months of project duration.
- + Electronic copies of the presentation materials and work manual (Printed copies not included).
- + Certificate of completion with objectives achieved.
